Standing still doesn't satisfy us.

Inspiration doesn't strike at rest. It's born in motion, with eyes wide open to new possibilities. Movement wakes us up and sparks unprecedented thinking. At Kia, this is what drives us to keep pushing, seeking, and transforming. Relentless in our mission to build exciting, quality vehicles with the design, performance, capability, and innovative technology to be more than a means of transportation, but also a catalyst for inspiration. In this spirit, we created the Kia 2024 lineup of vehicles.

Kia's industry-leading warranty program¹

10-Year/100,000-Mile Limited Powertrain Warranty

5-Year/60,000-Mile Limited Basic Warranty

You bring the plans. We'll bring the power.

Award-winning SUVs and sedans command the off-road and civilized world with grit, grace, and excitement, courtesy of available turbocharged engines, advanced performance, and outstanding versatility — from Telluride's up to 5,500 lbs. of towing capability,^{2††} to the best-in-class torque of K5 GT.³

Forward-thinking, alternative-fuel models include the all-new EV9, the EV6, and our Sorento, Sportage, and Niro electrified models — Kia's cutting-edge lineup of all-electric, hybrid, and plug-in hybrid vehicles that feature technologies designed to help enhance range,⁴ efficiency, and versatility.

Advanced driver-assistance technologies* include our suite of standard and available state-of-the-art systems for emergency braking,⁵ lane keeping,⁵ blind-spot monitoring,⁵ and more, for extra peace of mind, wherever adventure calls you.

Advanced all-wheel-drive systems** are offered on most Kia models to enhance handling, stability, and all-weather confidence in a variety of conditions — with added capability features such as Lock Mode* and multi-terrain modes* available on Telluride, Sorento, Sportage, and Seltos to further boost off-road adventures.

*Optional features available only on certain trims. See Features page for availability. †X-Pro models. ††No system, no matter how advanced, can compensate for all driver error and/or driving conditions. Always drive safely. 2-5 See inside back cover for endnotes. Do not attempt. Professional stunt driver used. EV6 GT e-AWD shown.

Advanced tech for enhanced escapes.

Innovative technology and features* are in the DNA of Kia's driver-focused cabins, with standard and available features that include Head-Up Display,^{6*} extra-large touch screens^{7*} with high-resolution graphics, and 360-degree Surround View Monitor.^{5*}

Kia Connect⁸ is Kia's available smart connectivity system that integrates with your compatible smartphone and smart speaker to perform convenient, helpful tasks such as Remote Start with Climate Control,⁹ Find My Car, and Connected Routing. It even provides Wi-Fi Hotspot capability^{10*} on certain models.

With best-in-class 53 MPG combined (HEV LX, EX, SX),^{46*} the longest driving range of any crossover in its class,^{46*} and an intuitive design, the Niro HEV is a powerfully efficient hybrid that's made to inspire from the inside out. Its spacious driver-focused interior features an available 10.25-inch touch-screen display^{7*} and premium tech for state-of-the-art connectivity. Cutting-edge "Green Zone" technology can automatically switch to all-electric mode when driving in detected hospital and school zones. And its advanced driver-assistance technologies include standard Blind-Spot⁵ and Collision-Avoidance⁵ features to give you greater confidence, wherever you roam.

HEV SX Touring, shown in all images, rated at 49 MPG combined^{33*} and with 544 miles of total driving range.^{34*}

Endnotes

1. Warranties include 10-year/100,000-mile powertrain and 5-year/60,000-mile basic. All warranties and roadside assistance are limited. See retailer for warranty details.

2. Towing requires additional equipment. See Owner’s Manual for towing capacity, additional instructions, and warnings. Always use caution while towing.

3. Best-in-class torque claim based on comparison of torque specification of GT 2.5L K5 Turbo engine to other vehicles in mid-size sedan class, as of March 2023.

4. Actual range will vary with options, driving conditions, driving habits, and your vehicle's condition.

5. These features are not substitutes for safe driving and may not detect all objects surrounding vehicle. Always drive safely and use caution.

6. Failure to pay attention to travel conditions and vehicle operation could result in loss of vehicle control. Always drive safely and use caution.

7. Distracted driving can result in a loss of vehicle control. When operating a vehicle, never use a handheld device or vehicle system that takes your focus away from safe vehicle operation. Navigation is for information purposes only, and Kia does not make any warranties about the accuracy of the information.

8. Purchase/lease of certain 2022 and newer Kia vehicles with Kia Connect includes a complimentary 1-year subscription to the Kia Connect Ultimate package, starting from new vehicle retail sale/lease date as recorded by the dealer. After your complimentary 1-year Kia Connect subscription expires, continued access to the full suite of Kia Connect services available on your Kia will require a paid subscription at the then-current subscription rate or your use of certain Kia Connect features may immediately terminate. Use of Kia Connect is subject to agreement to the Kia Connect Privacy Policy (available at owners.kia.com/us/en/privacy-policy.html) and Terms of Service (available at owners.kia.com/us/en/terms-of-service.html). Kia Connect is transferable to subsequent owner during the original Kia Connect service term. Only use Kia Connect when safe to do so. Kia Access app is available from the Apple App Store or on Google Play. Kia America, Inc. reserves the right to change or discontinue Kia Connect at any time without prior notification or incurring any future obligation. Message and data rates may apply. Cellular and GPS coverage are required to use most features. Kia Connect features may vary by model, model year, and trim level. Features, specifications, and fees are subject to change. Kia Connect may be currently unavailable for model year 2022 and newer vehicles sold in Massachusetts; please see www.owners.kia.com for updates on availability. For more on details and limitations, visit kia.com or your authorized Kia dealer. Apple and App Store are trademarks of Apple Inc.

9. Remote features require a Kia Connect subscription, a compatible smartphone, and a wireless signal with good coverage to function. Normal cellular service rates may apply. Do not use remote climate control if vehicle is in an enclosed area (e.g., closed garage) or a partially enclosed area without ventilation. Close all doors leading from adjacent living areas to the vehicle area before executing a remote climate control command. If any door or hatch is not closed properly, the remote lock and unlock functions will not work.

10. Wi-Fi Hotspot is available on select 2024 and newer Kia vehicles and requires enrollment in Kia Connect. Trial or paid subscription data plan required. Wi-Fi Hotspot services require vehicle cellular connectivity and availability of vehicle GPS signal; certain services may collect location information. Verizon is the network provider for Wi-Fi Hotspot, which uses Verizon's 4G LTE network to transmit data. Data usage applies. Coverage not available everywhere. See <https://www.verizon.com/featured/our-network> for coverage map. Complimentary Wi-Fi Hotspot trial begins on activation date and expires at the end of three months or after 3GB of data is used, whichever comes first. Verizon Wireless data subscription required upon end of complimentary Wi-Fi Hotspot trial. Limit one trial per vehicle. Up to 5 devices can be supported using in-vehicle connectivity. Use of Wi-Fi Hotspot is subject to Verizon Wireless Customer Agreement (<https://www.verizon.com/legal/notices/customer-agreement/>). Wi-Fi Hotspot may be unavailable for model year 2022 and newer vehicles that are purchased or sold in Massachusetts. Vehicle must be running or in accessory mode for Wi-Fi Hotspot to function. Never drive distracted. Driver should only use Wi-Fi features when the vehicle is parked in a safe location.

11. Electric range shown is not an official EPA estimate and is based on preliminary manufacturer estimates on a vehicle with a full battery charge. Range will vary and depends on a number of factors, including battery age, vehicle maintenance, charging practice, weather, road/traffic conditions, ambient temperature, driving habits, options, cargo, and others. Battery capacity will decrease with time and use.

12. Charge time based on Kia Corporation testing with 350 kW DC fast charger. Actual charge time may vary with options, driving conditions, driving habits, vehicle maintenance, charging practice, battery age, weather, temperature, and your vehicle's condition. Battery capacity will decrease with time and use. Frequent use of DC fast charging can negatively impact battery performance and durability, and Kia recommends minimizing use of DC fast charging.

13. Towing may significantly reduce electric range and requires additional equipment. See Owner’s Manual for towing capacity, additional instructions, and warnings. Always use caution while towing.

14. Highway Driving Assist and Advanced Highway Driving Assist only function on certain federal highways. When engaged, Highway Driving Assist/Advanced Highway Driving Assist is not a substitute for safe driving, may not detect all objects around the vehicle, and only functions on certain federal highways. Always drive safely and use caution.

15. Reclining seat and/or elevating footrest can reduce the effectiveness of the safety restraint system and may lead to additional injury in an accident.

16. Driving with tailgate open may be unlawful and can draw dangerous exhaust fumes into vehicle; if you choose to do so, keep air vents and windows open for ventilation.

17. Onboard Power Generator requires the purchase of separately sold additional equipment and may not be compatible with all devices. Onboard Power Generator can be used until the battery's charge falls to 20 percent.

18. Use extreme caution when using the seat warmers to avoid burns. Refer to the Owner’s Manual for more safety information.

19. Rear Occupant Alert is not a substitute for one's attention and may not detect all movement within the vehicle. Always check the vehicle interior when exiting the vehicle. ROA notifications require a Kia Connect subscription, a compatible smartphone, and a wireless signal with good coverage to function. Normal cellular service rates may apply.

20. Safe Exit Assist/Warning is not a substitute for one's attention and may not detect all objects surrounding the vehicle. Always pay attention to traffic and to the area around your vehicle when exiting the vehicle.

21. HomeLink® is a registered trademark of Gentex Corporation.

22. Meridian is a trademark of Meridian Audio Limited.

23. Full Display Mirror is a registered trademark of Gentex Corporation.

24. Remote Smart Parking Assist is a supplemental feature. The driver is responsible for ensuring the safe operation of the vehicle and that there are no objects or people around the vehicle.

25. 0-60 time based on internal Kia testing. Actual results may vary depending

on options, driving conditions, driving habits, and your vehicle's condition. Verification of these results should not be attempted. Always drive safely and obey all traffic laws.

26. All-electric range based on projected EPA estimates on a full battery charge. Range will vary and depends on a number of factors, including battery age, vehicle maintenance, charging practice, weather, road/traffic conditions, ambient temperature, driving habits, options, cargo, and others. Battery capacity will decrease with time and use. For more information on range, please see www.fueleconomy.gov.

27. Top speed based on internal Kia testing. Actual results may vary depending on options, driving conditions, driving habits, and your vehicle's condition. Verification of these results should not be attempted. Always drive safely and obey all traffic laws.

28. Apple CarPlay®, Siri®, and iPhone® are registered trademarks of Apple Inc.

29. Vehicle user interface is a product of Google and its terms and privacy statements apply. To wirelessly use Android Auto on your car display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at g.co/androidauto/requirements. Data plan rates apply. Android and Android Auto are trademarks of Google LLC.

30. Qi-enabled smartphone required.

31. Harman Kardon® and Clari-Fi™ are registered trademarks of Harman International Industries, Incorporated.

32. Claim based on EPA-estimated combined fuel economy for FWD Sorento Hybrid as compared to 2023 and 2024 mainstream three-row hybrid SUVs. Mainstream three-row hybrid SUV class.

33. EPA fuel economy estimates. Actual mileage will vary with options, driving conditions, driving habits, and your vehicle's condition.

34. Range as shown on [fueleconomy.gov](https://www.fueleconomy.gov) and assumes 100% of a full tank used before refueling. Actual range may vary. Kia recommends you refuel as soon as possible after the low fuel warning light illuminates or sooner.

35. Based on EPA-estimated MPG equivalent on a full battery charge. Actual MPGe will vary with options, driving conditions, driving habits, vehicle maintenance, charging practice, battery age, weather, temperature, and your vehicle's condition. Battery capacity will decrease with time and use. For more information on MPGe, please see www.fueleconomy.gov.

36. 240V charging time based on manufacturer estimates. Actual charging time will vary based on factors such as ambient temperature, battery state of charge, and battery condition.

37. Driver Attention Warning is not a substitute for safe driving and may not detect all instances of inattentive driving practices. Failure to pay attention to travel conditions and vehicle operation could result in loss of vehicle control. Always drive safely and use caution.

38. High Beam Assist does not operate below certain speeds, or in some lighting and driving conditions. Please be aware of your surroundings and exercise proper road etiquette when operating a vehicle using the high beams.

39. Do not use remote start if vehicle is in an enclosed area (e.g., closed garage) or a partially enclosed area without ventilation. Close all doors leading from adjacent living areas to the vehicle area before executing a remote climate control or remote start command.

40. SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc., after 3-month trial included with vehicle purchase. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. Please see the SiriusXM Customer Agreement at www.siriusxm.com for complete terms and how to cancel, which includes calling SiriusXM at 1-866-635-2349. All fees and programming are subject to change. Traffic information not available in all markets. SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc.

41. For maximum protection, always wear your seat belt. No system, no matter how advanced, can compensate for all driver errors, driving conditions, and/or injury.

46. Claim based on comparison of EPA combined fuel economy estimates for MPG/Range, of Entry CUV vehicle class as of July 2023. 53 MPG and 588-mile total driving range for HEV LX, EX, and SX. Range as shown on [fueleconomy.gov](https://www.fueleconomy.gov) and assumes 100% of a full tank used before refueling. Actual range may vary. Kia recommends you refuel as soon as possible after the low fuel warning light illuminates or sooner.

47. Charge time with 100 kW DC fast charger. Actual charge time will vary with options, driving conditions, driving habits, vehicle maintenance, charging practice, battery age, weather, temperature, and your vehicle's condition. Battery capacity will decrease with time and use. Frequent use of DC fast charging can negatively impact battery performance and durability, and Kia recommends minimizing use of DC fast charging.
